Lammertin - Lichen

Guy Goodfellow

Description: Hand-printed on medium-weight linen, this elegant design was inspired by a pencil drawing done by eighteenth-century Huguenot silk weaver Anne Marie Garthwaite. The fabric can be used for drapes and upholstery. We have also enlarged the scale to make a stunning new Wallpaper. Lammertin comes in 4 colorways: Garnet, Vintage, Lichen, and Gold.

Repeat: Vertical repeat: 93cm (36.61")
Horizontal repeat: 85cm (33.46")
