SLATTED SHIP MEDIA DISPLAY & SHELVING UNIT

Jasper Furniture 404-9

Description: This hand-planed, oak slatted, multi-shelved unit is customizable and available in any of our specialty finishes. While the Slatted Ship Collection brings a modern twist to an antique design, this latest profile is as functional as it is handsome and sophisticated. With an exquisite, carved-reeded detail adorning the façade, and multiple tiers for storage or display, this Media Display & Shelving Unit is perfect for side-by-side configurations with a flexible design that can fit most spaces.
