Tropique - Seal

Jasper Fabrics JO 1051

Description: Tropique's inspiration is the unique coastline and picturesque seascapes of France. The colors are derived from the colors seen in the limestone cliffs, silky ivory sand, lush island flora, and a striking range of blues and greens inspired by its dreamlike sky and its turquoise waters.

Width: 54"W

Repeat: 3" V, 7" H

Content: 100% solution dyed acrylic
