Woodblock Flower - Green

Jasper Fabrics JO 2001

Description: This Italianate pattern brings new life to an early-20th-century textile document, reimagining its traditional motifs in a crisp, slightly abstracted overall design. This fabric has the look of a wood-block print which gives it an unexpected, modern twist. It's a decidedly fresh take on traditional.

Width: 53"

Repeat: 22.5" V, 13.5"H

Content: 100% Acrylicfiber
