## Verona - Slate Blue

Templeton Fabric T1054-05

---

**Description:** Verona a textured woven fabric blend is becoming almost as famous as Romeo & Juliet, Shakespeare's play about two young star-crossed lovers. Verona weavers are experts in combining yarns to emulate the look of a subtle striation found in raw silk fabric. It is an excellent coordinate to combine with other woven and print textiles.

**Width:** 53"W

**Content:** 49% Viscose, 35% Cotton, 16% Linen
