Majorelle - Celadon

Hartmann&Forbes

Description: Inspired by the famous French artist Jacques Majorelle and his world-renowned garden and home in Marrakesh, Morocco, this sublime wallcovering features graphic arrangements reminiscent of architectural lattice screens found in palaces and temples from Morocco to the Middle East. These detailed configurations are emphasized by a warm natural color palette printed upon a precise, finely woven ground. Movement and light affect the eye's perception of this timeless classic, which straddles the line between art and design. Click [here](#) to see on the Hartmann&Forbes website.
